Case No. 2:17-cv-02825-RFB-NJK

ORDER

(Docket No. 7)

16 Pending before the Court is the parties' joint proposed discovery plan and scheduling order
17 requesting special scheduling. Docket No. 7. The joint proposed discovery plan contains multiple
18 deficiencies, all of which the Court does not address herein. First, the parties request deadlines longer
19 than the presumptively reasonable deadlines. *Id.* at 1. Local Rule 26-1(a) requires that a proposed
20 discovery plan requesting longer deadlines "must state on its face 'SPECIAL SCHEDULING REVIEW
21 REQUESTED.'" The parties fail to abide by this requirement as well as the other requirements listed
22 in LR 26-1(a). Second, the parties measure the discovery cut-off from the date the joint proposed
23 discovery plan was filed, December 8, 2017, and request a discovery period beyond the presumptively
24 reasonable discovery period. *Id.* Local Rule 26-1(b) dictates the presumptively reasonable discovery
25 period and the date from which this period is measured. The parties fail to abide by this requirement
26 as well as the other requirements listed in LR 26-1(b).

1 Accordingly, the Court hereby **DENIES** without prejudice the parties' joint proposed discovery
2 plan and scheduling order. Docket No. 7. The parties shall file a renewed joint proposed discovery plan
3 and scheduling order that complies with the Court's local rules, no later than December 15, 2017.
